

Friends of Bertha Kennedy is kicking off the school year with this FarmFresh Harvest Bundle Fundraiser!

Welcome back to school, what's for supper? Let us help you!

Choose from the following farm to the table fresh vegetables to keep your family healthy this fall!

The produce is grown locally in partnership with Erdmann's Gardens and Greenhouse. We are excited to offer locally grown produce for prices that are in line with Farmer's Markets.

We will accept cheque's payable to **Friends of Bertha Kennedy** but to limit handling money we suggest to click the following link to order online:

<https://store.indeygo.com/> Passcode: **FOBK**

Paper Orders are due on **Oct 8** and Online orders will be accepted until **Oct 12**.

Bundles will be available for CURB-SIDE pick up between October 21-23. Exact day to be announced. Please spread the word to neighbours, family and friends!

Don't forget that at this time of year our Food Bank needs their shelves stocked as well. If your garden was bountiful this fall, please consider choosing the Food Bank Bundle Donation option to help provide healthy food onto tables in need.
