FarmTo Table FoodBank Fundraiser

It's Harvest Season and as Fall approaches we would like to help put more nutritious food on struggling families tables.

This year Friends of BK will be running a FoodBank Harvest Bundle Drive till end of day on October 6. Please share with friends and family!

This is an excellent way to give back as well as support our BK Students as the proceeds from this drive will go to support the Nourish the BobKat Snack program.

FOOD BANK BUNDLE \$10

Feel like giving back? Purchase a food bank bundle that will be delivered directly to the food bank on your school's behalf. Each \$10 bundle contains 3 lbs of potatoes and 2 lbs of carrots.

We will keep you posted to how many pounds of veggies we donated to the FoodBank and follow Bertha Kennedy School Council to see what's being served for Nourish Snacks!
