May is the  
Month of  
Mary

## Admin Message

In the month of May, we honour the Blessed Mary, our Heavenly Mother of Jesus. During this special month we give homage to Mary as a mom, an advocate, a benefactress, and a helper. As a school, we will pray the rosary and celebrate Mary through the Living Rosary ceremony we will participate in school-wide on May 13th.

Service projects are very important to our school community and we are always impressed by how much support is provided to all of our initiatives. Our school-wide campaign to raise money for Catholic Social Services "Be Safe Kits" was a huge success. Through the raffle of the gem pictures, the prayer pretzel sale, and the very popular bend-a-rule day, we were able to raise over \$1800 for this great cause. Thank you very much for your support.

We are blessed to be able to celebrate the resurrection of Christ as a school community. Students participated in a Holy Thursday/ Good Friday ceremony where we broke bread together and

## Volunteers at School

We are very excited to welcome parents back into our school! We would like to invite any parents who would like to volunteer with their child's class to speak with the classroom teacher for any opportunities that may be available. To volunteer under the supervision of the teacher, a full Criminal Record Check is not required. We do require a Volunteer Declaration Form that can be obtained at the front office.

## Parish Youth Choir

All Parish Youth are welcome to learn, have fun and sing at a Fun Youth Choir Workshop at St. Albert Parish on **Sunday May 15!**

The singing fun starts at 4pm and don't worry if you haven't sung in awhile or at all as all voices and singing levels are welcome! Please bring a water bottle and your singing voice! The workshop will include pizza and snacks and the highlight will be sharing what we have learned by leading the singing at 6:30pm Mass that evening.

We hope for this to be the beginning of a special monthly Youth Choir so if you cannot attend please do not be discouraged - we will have another workshop on June 12 at 4pm and in September! We probably will need a name... so come with some ideas to share!

Please sign up using the following [LINK](#) so we know how many singers to plan for!

witnessed the grade 6 students carry the cross as Christ did in his final days. Students then created a symbolic representation of the cross on the hill. It was also very exciting to walk to Mass to celebrate New Life. Thank you to the parents that were able to join us!

In May, we look forward to learning about the 6th Grandfather teaching - Humility. Humility is to know that you are a sacred part of creation. To live life selflessly, not selfishly. To respect others and to praise their accomplishments.

Mental Health Week takes place the first week of May, in which our school takes an empathetic view on personal wellness. Our school community will look at the importance of personal affirmations, taking time for oneself, and reflecting on our impact on others' wellness.

As we wind down the school year, we are excited to celebrate our grade 2 and 6 students in receiving their sacraments in Communion and Confirmation. Please join us for their special ceremonies on May 7th and June 5th respectively. We will also recognize our Grade 6 students as the leaders that they are, as they head off to junior high. Thank you to all of our parent volunteers who volunteered from a "distance;" your dedication to our school is MUCH appreciated.

Thanks again for the amazing partnership that you provide for your children at school. As always, please feel free to contact administration about any need that your child may have.

God Bless,

Nicole Baker
