Youth Choir Workshop Sunday May 15!

All Parish Youth are welcome to learn, have fun and sing at a Fun Youth Choir Workshop at St.Albert Parish on Sunday May 15!

The singing fun starts at 4pm and don't worry if you haven't sung in awhile or at all as all voices and singing levels are welcome! Please bring a water bottle and your singing voice! The workshop will include pizza and snacks and the highlight will be sharing what we have learned by leading the singing at 6:30pm Mass that evening.

We hope for this to be the beginning of a special monthly Youth Choir so if you cannot attend please do not be discouraged - we will have another workshop on June 12 at 4pm and in September! We probably will need a name... so come with some ideas to share 🎵

Please sign up using the following link so we know how many singers to plan for!
