Break -a- rule Day/ Movie Afternoon

For raising \$7000, students are rewarded with a free break-a-rule day and movie afternoon. Munch Mix sold for \$1

COVID Update

In light of the lifting of all remaining restrictions, GSACRD will no longer report positive cases of COVID. While we understand that it is no longer mandatory, it is still highly recommended to isolate for 5 days after testing positive for COVID. Moving forward, it will be an expectation that staff and students remain home if experiencing symptoms of illness.
